Effectively, it is the position of The TIC that any delay/stoppage for lightning/thunder and/or very heavy rain means at least a 45-minute halt to play. Notwithstanding 8. above the following shall apply:

Under-11 & Under-12

Any game halted during the first half that can be re-started shall play only whatever time is remaining within the original time window.

Any game not started by the mid-point of its time window shall not be played.

Games started late shall be reduced to 50 minutes (2x25-minute halves) until caught up in the schedule.

*Note: in the application and interpretation of this TIC policy, common sense and reasonableness should prevail, but in any event the decision of The TIC is final.

Throw-in U11 & U12

A throw-in is a method of restarting play when the whole of the ball crosses the touch line. A goal cannot be scored directly from a throw-in.

Law 16 Goal Kick

A goal kick is a method of restarting play when the whole of the ball passes over the goal line, and a goal has not been scored.

Procedure

- The ball is kicked from any point within the Goal Area.
- A goal cannot be scored directly from a goal kick.

Retreat Line: The retreat line will come into play when the ball has gone out for a goal kick or when the goalkeeper has the ball in his/her arms.

The Retreat Line may be imaginary or marked by cones/disks.

- U8 Retreat Line is mid-field.
- U9 & U10 Retreat Line is 1/3 point.
- U11 & U12 Retreat Line is 1/3 point.
